

plastic? or plastic?

It all started here.  
1 bag, caught in  
my rack at 70 mph.

So I started a photo blog with grocery bags  
(a.k.a. urban jellyfishes), [plasticorplastic.com](http://plasticorplastic.com)  
In the following pages, you will find a calendar  
with the very best of the 365 photos taken.  
I hope you enjoy it as much as I did making it.
